Your insurance plan has a Primary Care Physician (PCP) listed on your card that does not belong to our office. You are responsible to contact your insurance company to notify them of changing your PCP to one of the providers in our office. Please contact your customer service number on the back of your insurance card the same day services are rendered to update your information with them. When calling your insurance please select either: Dr. Julianne Garrison, Dr. Shane Knepschild, Dr. Heather Cribbs, Dr. Jeremy John, or Dr. Tony Gomez.

By signing below you understand that your visit may not be covered by your insurance because your PCP on your insurance card has not been changed to one of our providers and you may be responsible for charges associated with your visit.
